PROFESSIONAL OVERVIEW

I'm a freelance Web Designer and Front End Developer from London. I have a Diploma in Web Design & Development and over 10 years experience in designing and developing websites.

I'm passionate about delivering high quality, user friendly WordPress websites.

WORK EXPERIENCE

Front End Developer

Supersonic Playground, Maidstone, Kent | 2019 - 2023

- Developed a multitude of bespoke brochure and eCommerce Wordpress websites for a wide variety of businesses.
- Customising themes and templates, configuring plugins.
- Creating wireframes, visual designs and branding to match client briefs.
- Liaising with clients on projects, providing support and training, maintaining existing websites.
- Clients included Virgin Care, Kent Invicta Chamber Of Commerce, Hopes Grove Nurseries, RBLI (Royal British Legion Industries), Digi-Mags, Lecenté among others.

Web Designer & Developer

Freelance | 2013 - Present

- Designed, developed and maintained websites for small businesses. Utilising both front and back end technologies.
- Managing all client relationships, dealing with requests promptly and efficiently.
- Clients include Bexley Council.

Graphic Web Designer

Ksquare Technologies Ltd, London | 2016 - 2017

- Designed and developed Wordpress websites, logos, flyers and other graphic work for a wide range of businesses and charities.
- Clients included Tell MAMA (a national project for recording hate crimes working closely with central government), Faith Matters, Royal National Institute of Blind People (RNIB), and Scope.
